

# Healthy Kids Club

## Fall/ Winter 2018 Newsletter

Hi kids!

Did you all have a good summer and Halloween? I've had such a blast this year. My favorite part has been meeting so many of our Healthy Kids Club members and recruiting new club members around the community, as well as at our very own Neighborhood Market earlier this year. That bouncy house was the best, right?

As we come into the holiday season and a new year, I hope to be able to meet even more of you so that we can inspire each other to save for the future, learn all about credit unions and finances, while having tons of fun in the process.

What has been your favorite part of 2018? Tell me all about it on Twitter @DrPennyANickels!

See you all around soon!

Your friend,  
*Dr. Penny*
