SPLASH UP SUMMER FUN WANT TO COOL DOWN WITH SOME FUN ON A HOT DAY? TRY THESE 5 SUMMER WATER GAMES!

Liquid Limbo. How low can you go? Do the limbo using water from the hose instead of a stick.

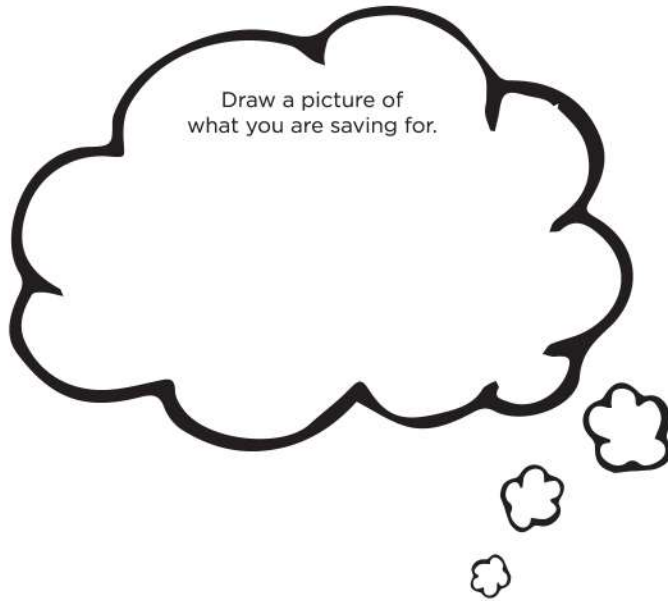

Water Balloon Tag. Water makes a game of Tag way more fun! Whoever is "It" has the balloons and "tags" others with cold explosion of water.

Cold Feet. Sit on the side of a kiddie pool filled with water and have a bucket next to you. Have an adult add a bunch of ice cubes in the water. At their signal, pick up as many ice cubes as you can using only your feet! Whoever has the most at the end of the time wins.

Pinaqua. Instead of pinata filled with candy, fill a 10-gallon trashbag with water and hang it in the air with a rope, just like you would with a pinata! Put on a blindfold and take turns with your friends hitting it with a broom. See who unleashes the water and gets soaked!

Drip, Drip, Drop. Play "Duck, Duck, Goose" with a small bucket of water. Instead of tapping people for "duck," give them a small drop of water from the bucket on their head. When someone gets tapped for "goose," they have to run around the circle. If they don't return to their space in time they get a big "splash!" from the bucket!
